Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	<u>Network</u> : \$2,000 Individual / \$4,000 Family <u>Out-of-Network</u> : \$2,000 Individual / \$4,000 Family	Generally, you must pay all the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Network preventive care</u> services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No other specific <u>deductibles</u> .	None
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	For <u>network providers</u> , there is a \$2,250 individual / \$4,500 family <u>out-of-pocket limit</u> . There is no limit for <u>out-of-network providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges (unless <u>balance-billing</u> is prohibited), health care this plan doesn't cover, adult dental, vision, family planning, <u>out-of-network</u> charges, amounts reimbursed under the <u>prescription drug</u> specialty care program, and penalties for failure to obtain <u>preauthorization</u> .	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

* For more information about limitations and exceptions, see the Clinic Plan Summary or policy document at www.cookmedicalclaims.com.

Will you pay less if you use a network provider?	Yes. See www.anthem.com or call 1-800-810-2583 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get these services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without permission from the plan.
