Who are we?

Pave is a personalized investment advisor powered by technology once reserved for the 1%. We provide access to tools that empower self-reliance and create financial well being.

Our technology managed billions in one of the best performing strategies at a major Wall Street firm. It had a \$50M minimum. Now it is available to anyone with \$50 and a smartphone.

Pave's team combines over 200 years of experience at financial institutions such as Goldman Sachs, Morgan Stanley, Bank of America, J.P. Morgan, Fidelity, and several hedge funds as well as technology companies such as Google, Apple, Meta, and Amazon.
