

## UHC Vision Portal Registration

Employee User Guide

UHC Vision Portal: [Member Web Portal Landing Login Page](#)

Registration is easy and only takes a few minutes. Once you're registered, you'll have access to:

Check eligibility for exams and eyewear

View your copayment

Print your ID card, if you prefer

View claim status, and much more!

Here's what you need to get started:

- You must be 13 years of age or older to register
- You will need your subscriber ID number (or last 4 of your SSN)
- Date of Birth
- First and Last Name
- Email Address

When you're ready, begin with the HealthSafe ID process button from the landing page and enter your information, create a username and password, follow the on-screen prompts for reCAPTCHA and click "create." You will need to confirm your email address through two-factor authentication and then you will be able to log in!

Supported browsers:

- Google Chrome, Microsoft Edge and Mozilla FireFox "evergreen" browsers
- Internet Explorer 10 and 11
- Apple's Safari
