

Our Pharmacy puts members and clinical care first.

**At Westchester Medical Center
Specialty Pharmacy, your health
comes first.** While many pharmacies
act as all-purpose stores, we focus only
on the safe delivery of your medications.

Every prescription is part of a care plan
we coordinate with your providers.
With complex or ongoing treatments,
you deserve a pharmacy that sees
the whole picture—not just a product
on a shelf.

FAQs:

**Q: What makes this different from a
retail pharmacy?**

A: We work directly with your doctors and care team.
This means fewer delays and more support.

Q: Will it cost more?

A: No. We look for savings programs to lower costs.

Q: Do you deliver?

A: Yes. Free, safe delivery to your home or clinic.
We send reminders for refills.

Q: Can I talk to a pharmacist?

A: Yes. Our pharmacists answer questions and
support your therapy.

Q: What conditions do you cover?

A: Right now: digestive health, blood disorders,
cancer, autoimmune, and infectious diseases.
More are coming soon.

Q: How do I start?

A: Ask your doctor to refer you, or call us.
We handle sign-up and transfers.

Q: Need help with injections or side effects?

A: We provide training and support so you
feel confident.

Specialty Pharmacy

Westchester Medical Center Health Network

When you need specialty medicine, you need more than a pharmacy. You need a team that works with your doctors and supports you at every step. That's what we do.

We are part of Westchester Medical Center Health Network. Our goal is simple: safe, clear, and personal care.

How We're Different.

We put you first.

Part of Your Team: Our pharmacists work with your doctors. We track side effects, check your progress, and help you stay on plan.

Help With Costs: We handle insurance forms and approvals. We also look for programs that may lower your cost.

Step-by-Step Guidance: We offer training, reviews, and one-on-one talks so you feel confident with your medicine.

Easy Delivery: We set up free home delivery and refills ahead of time.

What We Provide:

Care Tied to Your Doctors

- ▶ Connected with your WMCHealth providers
- ▶ Clear and simple communication with your care team

Personal Support

- ▶ Direct access to a pharmacist
- ▶ One-on-one training for injections and side effects
- ▶ Conversations with people who know your history

Help with Insurance and Costs

- ▶ We handle approvals and forms
- ▶ We search for co-pay and aid programs
- ▶ We work to keep your cost low

Easy Delivery and Refills
